

# Don't Wait, Vaccinate!

## Tips and Resources for Communicating with Adult Patients about Vaccination

Thursday, August 17th | 12:00-1:00 PM ET, 9:00-10:00 AM PT

Register today for a free, *1 CME credit* webinar sponsored by The American College of Obstetricians and Gynecologists (ACOG). Following the live presentation, the webinar will be archived on ACOG's Immunization website, [ImmunizationforWomen.org](https://immunizationforwomen.org), for convenient viewing, but will not provide CME credit. *Continuing Medical Education credit is provided through joint providership with The American College of Obstetricians and Gynecologists.*

**REGISTER TODAY!** <https://goo.gl/F6rV8A>

By the end of the webinar, participants will be able to:

- Understand and describe the research on how adults make vaccination decisions
- Incorporate a strong recommendation for vaccination into routine practice
- Utilize effective strategies to address common questions about adult vaccines
- Identify and locate immunization resources for patient education and implementation of practice standards

**Questions?: Email [immunization@acog.org](mailto:immunization@acog.org)**

#### ACCME Accreditation

The American College of Obstetricians and Gynecologists is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

#### AMA PRA Category 1 Credit(s)<sup>™</sup>

The American College of Obstetricians and Gynecologists designates this **live activity** for a maximum of 1 *AMA PRA Category 1 Credit<sup>™</sup>*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### College Cognate Credit(s)

The American College of Obstetricians and Gynecologists designates this **live activity** for a maximum of 1 *Category 1 College Cognate Credit*. The College has a reciprocity agreement with the AMA that allows *AMA PRA Category 1 Credits<sup>™</sup>* to be equivalent to College Cognate Credits.

*This webinar is supported by the Cooperative Agreement Number, 6 NH23IP000981-02-01, funded by the Centers for Disease Control and Prevention. Its contents are solely the responsibility of the authors and do not necessarily represent the official views of the Centers for Disease Control and Prevention or the Department of Health and Human Services.*
